Snow Park Permits

Snow Park permits are required to park at snow play areas on Hwy 22. These permits can be purchased at any DRD office every day of the year, or at some local non-interest stores. Snow park permits are NOT sold at the Detroit Ranger District.

Safety Tips

- Most of our roads are single lane with turnouts and are not maintained for snow or ice. Remain alert for other vehicles and stay as far to the right as possible.
- Carry a shovel and tire chains with you at all times and know your vehicle capabilities in adverse driving conditions. A blanket and matches might supply warmth in an emergency. Let someone know the area you are going to and when you expect to be home.
- We recommend driving with your lights on to increase your visibility. Remember to turn them off when you leave your vehicle!
- Park you vehicle off the traffic lane to avoid blocking other motorists and set your emergency brake.
- In some areas 4-wheel drive vehicles may be required due to snow. ***Know your vehicle's capabilities!***

Tree Permit and Selection

- Each purchased tree permit ($5.00 / permit) allows the removal of one tree, **under 15 feet tall.**
- These permits are solely for personal use (not to be resold) and are valid only on National Forest land.
- Please select a tree within 12 feet of another to maintain a healthy population of trees.
- Once you have selected your tree, saw or chop the tree off within 6 inches of the ground and leave the five limbs attached to the stump.
- Before transporting your chosen tree, validate your permit by punching or tearing out the Date and Year.
- Firmly attach the orange tree tag to tree trunk between limbs and tie the tree down to transport. Permit must be visible during transit.
- A total of 5 tree permits per household are allowed.
